

**STATED  
MEETING  
SATURDAY  
JANUARY 3, 2009  
9:00 AM**

FROM THE EAST

Brethren:

I have a BIG job in front of me this year as Master, but with help from the officers, the past Masters and all the Sandy Valley brothers we will make it. I know we will have a great year! I want to continue to follow the path our outgoing Master has established. I have some special guests lined up to speak at some of our stated meetings. The Installation of Officers on Saturday, Dec. 20 was fantastic and I certainly appreciate everyone's hard work and participation. I am especially proud to have had M.W. David O. Martinez to install me as Master. I cannot thank the rest of the team enough for their part in the installing process. R.W. Bud Banks, W. Ben Racelis, PM, W. Dale Porray, M.W. Pat Williams, PGM. We had a good turn out I hope to continue with this kind of support.

I am looking forward to the first stated meeting as Master on January 3, 2009.

John Pennington  
Worshipful Master
