STATED MEETING

9:00 AM

FROM THE EAST

Brethren:

Fellows, I want to thank you and tell you what an excellent job you did and how proud I am of all of you for your outstanding participation in our E.A.

Degree held on April 4th, we had 45 members/visitors present. Our Degree was fantastic and your support of our Sandy Valley Lodge means so much to me. Let's all make Brother Bobby Gottlieb feel right at home with us. Speaking of support, please give your fullest support to Wade Schneiderman at the May meeting. He will be opening and closing, since Mike Barry and I will be out of town, and I really do appreciate him stepping in for us. I feel so much better going out of town knowing that Brother Wade is taking care of things.

Our BIG fund raiser for our Lodge is, as you all know, the Vidalia Onion Sales. Let's all get out and sell a bunch

this year, get your pre-orders in right away. The onions should be here around the first of May.

I'll be back and ready for our June meeting on the 6th.
John, WM

FROM THE WEST

Brethren:

The new experiences that are occurring are certainly interesting and exciting. Last Saturday our Worshipful Master and his corp. of officers installed an Entered Apprentice. This was both serious and fun. Being an Officer on WM John's court is something that I am extremely proud of. At the same time I was very pleased with the efficiency of our officers in installing this new Brother into Sandy Valley Lodge.

All of us, who have responsibilities for our new Brothers and their advancement to a higher level of Masonry need to constantly encourage, aid and assist them in their work. We cannot allow these Brothers to fail to progress due to our lack of communications with them.

We must remember to be thankful that we have a secretary who is not only through and competent, but also allows us to use his airplane hangar as our Lodge hall. Certainly we should qualify as unique if for no other reason than that.

As the WM announced at our previous meeting, several of us will not be in attendance at the May Stated meeting. Our JW has stepped forward to fill in. in the absence of the WM. I will look forward to seeing all of you at our June Stated meeting.

Mike, SW

FROM THE SOUTH

Brethren,

Brother Wade is spending all his time perfecting his opening and closing ritual. Come out and see an amazing performance.

Wade, JW

SECRETARY'S

CORNER

Brethren:

This has been a rough month for me. My computer hard drive started failing and lost much information before I bought a new

computer. One of the losses was my address book for emailing. I have been hand entering addresses from my printed roster of the lodge. I should have the addresses finished in another week. Our digital roster was in MS access, which I no longer have.

Everyone tells me that that data file can be transferred to MS Excel, but I have not had any luck doing it. It may be that the data on the old hard drive is damaged or that I don't know enough about computers. As of noon on the 14th, I can now print mailing labels. If you have received this via snail mail, then I have not remembered to include you in the electronic mailing.

Several of our officers will be out of town for this May meeting. Please call JW Wade or me if you will be here and are willing to fill a chair.

George, Secretary

Congratulations: Brother Mike Kurcab and his wife are now the proud parents of a beautiful and healthy little girl born April 11th.
